

MESSAGE

Impact Group of Colleges is continuously elevating the **standards of teaching** from **classroom learning** and **practical training** to **project-based learning, field trips, workshops and internships** towards a new genre of **research-based academic excellence**.

With this stated purpose, a **dedicated platform** is being provided for researchers, **teachers, professionals and students** to excel in their **academic pursuits** through **paper presentations** that reflect **analysis, reasoning, in-depth study and cognitive abilities**.

The **Multidisciplinary International Conference**, scheduled for **6-7 April 2026**, at our **main campus, Sampatchak, Gaurichak, Patna**, will focus on the theme: **“Contemporary Trends of AI in Multi-disciplinary Research.”**

I extend my **best wishes** for the **great success of the conference**.

Along with **team effort and dedication**, the **blessings of Almighty God** are of **paramount importance** in achieving the **desired goals**.

I believe that an **educational environment** should be created in a way that **fosters curiosity among learners**. Learning should be **effective and adaptable** to the **needs and requirements of students**. I am pleased to note that **Impact Group of Colleges** emphasizes such an approach to ensure **students’ academic and professional well-being**, as well as their **holistic development**.

Critical and independent thinking, an analytical and logical mindset, practical exposure and ethical competence are the **need of the hour** to shape students into **valuable contributors to society and responsible citizens**.

With best wishes.

Truly yours,

(Manish Kumar)
Director, Impact Group of Colleges
