When I was informed about the **Multi-disciplinary International Conference** at our campus in **Sampatchak, Gaurichak, Patna**, my happiness increased manifold as I realised that **Team Impact** is going to achieve yet another **milestone in academic excellence**.

Endorsing the concept and ideas put forward under the leadership of **Group Director Mr. Manish Kumar**, I wholeheartedly extended my **consent and best wishes**, encouraging the team to move ahead.

The conference on the theme “**Contemporary Trends of AI in Multi-disciplinary Research**”, scheduled to be held on **6–7 April**, will undoubtedly provide an **excellent opportunity** for **researchers, teachers and students** to showcase their **creative and analytical talents** through **paper presentations** on this platform.

Impact Group of Colleges, progressing from **strength to strength**, is poised to set **unprecedented benchmarks** by establishing **research-based academic standards** that reflect an **advanced level of teaching-learning culture on campus**.

Appreciating the **efforts, dedication and determination** of all members of the **Impact family**, I wish the **Multi-disciplinary Conference** remarkable **success** and great **academic achievements**.

My **good wishes, support and guidance** are always with you, my dear **Team Impact**.

May **God bless you all**.

Truly yours,

(B.D. Singh)
Chairman, Impact Group of Colleges
